Hello fellow Catalina Vistans, I hope this newsletter finds you well and safe! I wanted to formally announce that we will be holding our annual meeting this year via Zoom video conferencing on October 26th from 6:45 - 8:30 pm.

If you're unfamiliar with Zoom, the board has decided to offer a practice session and a chance to get to know the candidates for next year. That session is planned for the evening of October 12th, additional details to come. If you are new to Zoom, first start at [www.zoom.us](http://www.zoom.us), click on resources, and download Zoom and watch some of the tutorials. Registration as a zoom user is recommended but not required. Contact myself (Dan Schnoll, [deschnoll@gmail.com](mailto:deschnoll@gmail.com) 520.203.1545) or Kelly Button ([Kellybutton@longrealty.com](mailto:Kellybutton@longrealty.com)) and we can help you out if you're unsure about zoom or are stuck getting set up. There is also a dial-in only option, so you can just use your phone to call in as if it were a regular group phone call, see information below.

## BOARD MEMBER NOMINEES

The following Catalina Vista residents are nominated for membership on the CVNA Board of Directors:

**Erick Erickson:** I and my wife Kathleen are happy to be back in Catalina Vista after a 24 year absence. I am a retired lawyer and Kathleen just retired from a 30 year career at Tucson High School. We have always loved the neighborhood and with our two children grown and gone, we jumped at the chance to return. We look forward to a long, happy and productive stay.

**Elliot Glicksman:** I've lived in Catalina Vista for over 30 years with my wife Lorraine. We raised our children here. I previously served on the board many years ago. I retired from practicing law this year, and spend my time as the President of the Tucson Jazz Festival which is scheduled to run from January 15-23, 2021. I'm also a past President of the Arizona Association for Justice and of Homicide Survivors, Inc. My interests are plate spinning, Hummel collectables and full contact backgammon. I'd like to return and serve one term on the board.

**Rich Small.** I am a recent transplant to the Catalina Vista neighborhood., Growing up in Blenman Elm and attended Jefferson Park School I am happy to be a resident of the neighborhood. I own a 1946 bungalow and have quickly become situated and interested in the neighborhood. I love Tahoe Park and go there with my dogs at least once a day. I have met many friendly neighbors. I am an active retiree.. I am the President and CEO of the Stonewall Foundation, a Tucson-based non-profit foundation annually supporting 21 arts, health and education non-profits. I have three adult children. My mother lives in Potter Place and is 93 years old. I have always been an advocate for the area I live in and believe our strength is created by the connections we make through our common interests. I look forward to learning more about the neighborhood and being a positive participant in the neighborhood association.

**Dean Wingert.** I grew up in Tucson and am a graduate of the University of Arizona. I have managed large land development projects throughout the southwestern United States for over 40 years, and through those development activities I have served on the Board of several homeowner associations, and am currently on the Board of two homeowner associations in the Tucson area. My wife Linda and I have been residents of Catalina Vista since 1994, and I would like to add my background and knowledge to our Association so that Catalina Vista can continue to improve and thrive.
