

YOUR NEIGHBORHOOD NEEDS YOU!

Join the organization that guards the best interests of your home!

As an Association member you will receive email notices about important neighborhood events, neighborhood crime alerts, and neighborhood improvement projects (e.g., traffic reduction, road maintenance, tree planting, Adopt-A-Park, neighborhood social, and many more.)

- Our neighborhood association works to protect the neighborhood and our Deed Restrictions, thereby enhancing the livability of the neighborhood and the value of our homes•
- Our neighborhood association gives us a voice in decisions made by the City Council that impact neighborhoods. (There is power in numbers.)
- Our neighborhood association works to get the pot holes filled, parks and islands maintained, streets swept, etc. When economic times are better we will be a voice for upgrading our streets. In the meantime, neighborhood volunteers are helping to make our neighborhood look better by regularly removing litter and debris from the islands.
- Best of all, our neighborhood association gives us an opportunity to get to know each other as neighbors and friends, and to support each other in the kindest and best of ways.

**Without you, we are an ordinary neighborhood.
With you, our possibilities are endless!**
